

Perplexed or Prepared: *How to Prepare for Tomorrow – Today.*

Do healthcare decisions leave you perplexed?

FREE Program October 15

For most of us, they do. Ball Memorial Hospice invites you to a FREE program on Thursday, October 15 at the Ball State University Alumni Center with registration beginning at 5:15 p.m.

Let us help you prepare for tomorrow involving the difficult and often confusing healthcare issues that so many of us are faced with. Participants will learn more about advance directives, caregiving, will and trusts and end-of-life issues, as well as local resources available to assist you.

Registration is REQUIRED for this program. Please call Access Services at (765) 741-1073 to reserve your seat. Registration deadline is October 8. For more information, please visit www.accessbmh.org.
